The screenshot shows a web browser window with the address bar displaying `file:///C:/Users/dell/Desktop/assignment%203/images/INDEX.html`. The page content includes the title "Assignment 3" followed by a list of five tasks:

1. Create a Bucket in IBM object storage.
2. Upload an 5 images to ibm object storage and make it public. write html code to displaying all the 5 images.
3. Upload a css page to the object storage and use the same page in your HTML code.
4. Design a chatbot using IBM Watson assistant for hospital. Ex: User comes with query to know the branches for that hospital in your city. S
5. Create Watson assistant service with 10 steps and use 3 conditions in it. Load that script in HTML page.

Below the list, there are five medical-related illustrations: a hand holding a red test tube, two test tubes (one red, one yellow), a row of five test tubes (three red, two white), and a blue medical device. To the right of these images is a chatbot interface with a teal background. The chatbot says: "Hi! I'm a virtual assistant. How can I help you today?". Below this are three buttons: "Hi", "Hello", and "Need help". At the bottom of the chatbot is a text input field with the placeholder "Type something..." and a send button. The chatbot footer says "Built with IBM Watson*". The Windows taskbar at the bottom shows the search bar, taskbar icons, system tray with temperature (86°F), time (14:37), and date (02-11-2022).
